Missions Spotlight

This month's featured mission is Wycliffe Bible Translators. Wycliffe exists to work with churches, communities and partner organizations until everyone can access God's Word in a language and format they can understand. They are committed to not stopping until all people — speaking or signing more than 7,000 languages worldwide — have the Bible. *You may designate your financial gift for this organization any time this month, and at the end of the month we will contribute \$1,000 plus any designated gifts to them from the missions fund.*
